

THE TIMES OF INDIA

04

It's not just a place where you get to learn Einstein's Theory of Relativity. It's also a place where you can think beyond the classroom. Hence we say, **SCHOOL IS COOL!**

SCHOOL IS COOL

National Entrepreneurship Day at Sriram Vidhya Mandir

Sriram Vidhya Mandir Matric. Hr. Sec. School celebrated 'National Entrepreneurship Day' recently. Dr. S Ravi, Professor and HOD of Mechanical Engineering, Sriram Engineering College presided over the function and highlighted this year's theme 'Catalysing a cultural shift in youth entrepreneurship'. Students displayed a variety of posters on the theme, Entrepreneurship. Principal, Geetha Perianayagam proposed the vote of thanks.
